

our people shaping your future

# AMMA membership

AMMA provides industry advocacy, workplace advice and training solutions for companies in the resources and energy sector. Our members include companies directly employing more than 170,000 working Australians.

The sector's representative voice, AMMA undertakes research and industry advocacy to advance members' interests.

Provides leading information, training and consultancy services.

Offers the sector's most valuable networking opportunities.

AMMA's members work in all areas of the resources and energy sector including:

- + mining
- + hydrocarbons
- + maritime
- + exploration
- + energy
- + transport
- + construction
- + smelting
- + refining
- + and allied services

**An investment in AMMA is an investment in the future of the resources and energy sector.**

Delivers extensive 'hands on' experience and a proven track record.

Creates innovative solutions that reflect our members' needs.
